

Moon Investments (Pty) Ltd. (Moon) - Responsible Business Practice

Dear Valued Client,

Moon have committed to operating our business in accordance with best business practices, including integrating ethical, human rights, social and environmental considerations into our day to day operations, business planning activities and decision-making processes.

Our Responsible Business Practice internal policy ensures our team are all committed to the following guidelines as outlined below.

Business Ethics

1. Moon have committed to conducting business to the highest ethical standards, ensuring integrity, transparency and conformance with all applicable laws and regulations.
2. Moon will not engage in bribery and/or corruption.
3. Moon will not tolerate money laundering and/or the financing of terrorism.
4. Moon discloses accurately the material characteristics of the products we sell.
5. Moon respects confidentiality and data privacy.

Human Rights and Social Performance

1. Moon respects human rights and the dignity of all individuals.
2. Moon shall not use any force or restrict the freedom of employees.
3. Moon is committed to high standards of Health and Safety in all our operations.
4. Moon is opposed to activities which, directly or indirectly, finance or benefit armed conflict and the extreme levels of violence which contribute to the abuses of human rights.
5. Moon shall not discriminate based on race, ethnicity, religion, disability, gender, sexual orientation, political affiliation or age.

Environmental Performance

1. Moon conducts business in an environmentally responsible manner.
2. Moon manages their footprint by eliminating/minimising negative environmental impacts.
3. Moon manages their resources and energy efficiently.

Management Systems

1. Moon complies with all applicable laws and regulations. We will assess our risk, including risk to our business from partners, and establish systems that manage and improve ethical, human rights, social and environmental business practices.
2. Moon have established a Compliance Function with an appointed Compliance Officer to take responsibility for adhering to the guidelines of this policy.
3. Moon has applied a "Know Your Counterparty" policy in order to identify upstream suppliers where dealings with such suppliers would be in contravention of this policy, would represent money laundering or other related criminal activities.
